11. Resolution 22-11 – A Resolution of the Board of Directors of the San Miguel Consolidated Fire Protection District Authorizing the Execution and Delivery of a Lease Agreement in an Aggregate Principal Amount Not to Exceed \$26,000,000 for the Purpose of Refunding Some or All of the District's Unfunded Accrued Liability and Authorizing the Execution of Necessary Documents and Certificates and Related Actions.

Administrative Officer/Finance Officer (AO/FO) Harris gave an overview of the where the District was in the process and explained that the strategy that has been presented in previous meetings has not changed and the approval of the resolution will allow the Fire Chief and Staff to execute necessary document for the Unfunded Annual Liability restructuring.

Upon a motion by Director McKenna, second by Director Raddatz, and vote (unanimously in favor), Resolution 22-11 was approved.

INFORMATIONAL ITEMS

12. Finance Committee Update – The Finance Committee will give an update from their last meeting.

Directors Nelson, Raddatz and Robles shared that the Finance Committee met and reviewed long-term financial information including discussions of unfunded accrued liability, reserve funding, policies, a 5-year capital plan, a facilities analysis, and funding philosophies. The committee accepted a calendar presented by AO/FO Harris to schedule annual events/reports and plans to bring back a more expansive informational item update in the near future. Future Finance Committee meetings are slated for the last Wednesday of the month and will be canceled if not needed.

13. Quarterly Financial Update – AO/FO Harris presented the 3rd Quarter Financials to the Board of Directors and discussed in detail long-term financial management and planning. AO/FO Harris stated that the preliminary budget will be approved by June 30, 2022, allow the District to continue operating day to day, with a final budget adopted no later than October 1, 2022. She reviewed the Statement of Revenues and Expenses for the Period Ending March 31, 2022, and went into detail regarding format changes being implemented on the financials, including the addition of the Benefit Assessment financials.

REPORTS

14. Committee Reports

Director Muns attended a Heartland Communications special meeting. The JPA is currently without a Director; therefore, the meeting was called to approve revising the salary for the vacant position, as well as hiring a previous Director as interim until the vacancy is filled.

Director Pierce will attend a CSDA meeting next week.

Director McKenna shared that on April 13, 2022, the Station 21 AdHoc Committee met with representatives of Mt. Helix Park Foundation. Those in attendance from the Foundation were as follows: Norm Hapke, President, Krista Powers, Executive Director, Chris Kilrain, Chief Financial Officer, Andrew Zlotnik, Counsel, and Robert Ball, Board Member. Director McKenna also shared that the Prop E Committee onboarding took place May 4, 2022.

15. Directors' Reports

Directors McKenna and Pierce attended and participated in Local 1434's softball game.

16. Chief's Report

Division Chief Lawler presented the Chief's Report in Chief Brainard's absence.

Action Plan Recap from April 13, 2022, Board Meeting

- Key Performance Measures to be presented on a semi-annual basis moving forward
- Based on data availability, KPM's will be provided to the Board in August covering the previous Fiscal Year with the Fire Chief's year-end report and in February covering the first six-months of the new Fiscal Year.
- A quarterly newsletter to be implemented with the help of Director Robles

Staff Report

Date: June 8, 2022

To: Board of Directors

From: Leah Harris, Administrative Officer/Finance Officer

Subject: 2022/2023 Temporary Transfer of Funds

Background

Beginning with Fiscal Year 2007/2008 the District began borrowing funds from the San Diego County Treasurer as a means of augmenting our cash flow needs.

The District is entitled to make temporary transfers of property tax revenue from the San Diego County Treasurer not to exceed 85% of the property taxes and benefit fees estimated by the County. This would give the District the ability to borrow up to \$22,075,350 for Fiscal Year 2022/2023.

The projected property taxes referenced in this Resolution are determined by the County of San Diego based on their formulas for cash borrowing purposes only. The projected property tax amount includes the three service benefit fees and the parcel tax. The County also recommends that the numbers they provide should not be used to budget property tax revenue.

Fiscal Impact

The cost to borrow money from the County is the interest rate that is currently earned on funds invested (estimated of the range interest rates for Fiscal Year 2022/2023 is 2.0% - 2.5%)

Recommendation

Adopt Resolution 22-12 authorizing the transfer of funds from the County of San Diego.

Resolution 22-12

A Resolution of the Board of Directors of the San Miguel Consolidated Fire Protection District Requesting a Temporary Transfer of Funds from the County Treasurer, County of San Diego for Fiscal Year 2022/2023

WHEREAS, the Board of Directors of the San Miguel Consolidated Fire Protection District, County of San Diego, is requesting a temporary transfer of funds in the maximum amount of \$22,075,350 to provide funds for meeting obligations incurred for maintaining said District for the 2022/2023 Fiscal Year; and

WHEREAS, the taxes and benefit fees accruing to said District during Fiscal Year 2022/2023 are estimated to be \$25,971,000 and 85% of said taxes and fees are \$22,075,350.

NOW, THEREFORE, BE IT RESOLVED: that the County Treasurer, County of San Diego, is hereby requested to transfer funds in his custody to the General Fund (47690) of the San Miguel Consolidated Fire Protection District for the maximum amount of \$22,075,350 during the 2022/2023 Fiscal Year.

Subject: 2022/2023 Gann Limit

Background

The Gann Limit (Proposition 4 and Proposition 111) adopted by the voters established spending limitations on all government agencies. These statutes limit the amount of tax revenue agencies can spend in any fiscal year, with annual adjustments based on increases in population and per capita personal income.

Upon the consolidation of the San Miguel and East County Fire Districts, LAFCO established the Gann Limit for San Miguel at \$21,774,428. The chart below shows the adopted Gann Limit for each Fiscal Year as a stand-alone agency and its percent change.

Fiscal Year	Gann Limit	Percent Increase
2018/2019	\$30,825,768	3.89%
2019/2020	\$32,058,799	4.00%
2020/2021	\$33,325,122	3.95%
2021/2022	\$35,044,384	4.9%
2022/2023	\$37,558,328	6.6%

Fiscal Impact

None.

Recommendation

Adopt Resolution 22-13 establishing the 2022/2023 Gann Limit at \$37,558,328.

Resolution 22-13

A Resolution of the Board of Directors of the San Miguel Consolidated Fire Protection District Establishing the Limit for Appropriations of Proceeds of Tax Subject to Limitation for Fiscal Year 2022/2023

IT IS HEREBY RESOLVED, by the Board of Directors of the San Miguel Consolidated Fire Protection District, as follows:

- 1. The calculated maximum limit applicable to the 2022/2023 appropriations of proceeds of tax subject to limitation established in compliance with Article XIIIB of the Constitution of the State of California is \$37,558,328.
- 2. The population and cost of living per capita income increase, provided by the State of California Department of Finance, used to determine the above limitation under Article XIIIB of the Constitution of the State of California, were on file and available for public inspection as of June 1, 2022.

Determination of Appropriation Limitation: 2022/2023

2021/2022 Appropriation Limitation: Adjustments:		\$35,044,384

Staff Report

Date: June 8, 2022

To: Board of Directors

From: W. Brent Napier, Deputy Fire Marshal

Subject: State Mandated Inspections per SB 1205 and California HSC 13146.4

Background

The California State Fire Marshal, through the California Health and Safety Code, mandates certain occupancies be inspected annually. Sections 13146.2 and 13146.3 of the Health and Safety Code specifically mandate that every hotel, motel, lodging house, apartment building, certain residential care facilities, and public and private schools be inspected annually. Since the Ghost Ship warehouse fire in Oakland in 2016 which killed 36 people, grand jury investigations revealed that the State required annual inspections on various occupancies, but the inspections were not mandated to be reported to any governing body.

Senate Bill 1205, authored by Senator Jerry Hill, became effective September 27, 2018. It adds Section 13146.4 to the Health and Safety Code which, in part, reads:

- (a) Every city or county fire department, city and county fire department, or district required to perform an annual inspection pursuant to Sections 13146.2 and 13146.3 shall report annually to its administering authority on its compliance with Sections 13146.2 and 13146.3.
- (b) The report made pursuant to subdivision (a) shall occur when the administering authority discusses its annual budget, or at another time determined by the administering authority.
- (c) The administering authority shall acknowledge receipt of the report made pursuant to subdivision (a) in a resolution or a similar formal document.
- (d) For purposes of this section, "administering authority" means a city council, county board of supervisors, or district board, as the case may be.

The San Miguel Fire Protection District has 325 State-mandated residential and educational occupancies, of which 325 have been inspected in the last twelve months from the period starting June 10, 2021 and ending June 8, 2022. That is a completion rate of 100%.

Fiscal Impact

None.

Recommendation

It is recommended that the Board of Directors:

- 1. Accept the Report as presented; and
- 2. Approve Resolution 22-14 accepting the 2021-2022 California State Fire Marshal mandated inspection report.

Resolution 22-14

A Resolution of the Board of Directors of the San Miguel Consolidated Fire Protection District Acknowledging Receipt of a Report Made by the Deputy Fire Marshal of the San Miguel Consolidated Fire Protection District Regarding the Inspection of Certain Occupancies Requiring Annual Inspections Be Performed in Such Occupancies Pursuant to California Health and Safety Code, Sections 13146.2 and 13146.3

WHEREAS, California Health and Safety Code Section 13146.4 was added in 2018, and became effective on September 27, 2018; and,

WHEREAS, California Health and Safety Code Sections 13146.2 and 13146.3 requires all fire departments, including the San Miguel Consolidated Fire Protection District, that provide fire protection services to perform annual inspections in every building used as a public or private school, hotel, motel, lodging house, apartment house, and certain residential care facilities for compliance with building standards, as provided and,

WHEREAS, California Health and Safety Code Section 13146.4 requires all fire departments, including the San Miguel Consolidated Fire Protection District, that provide fire protection services to report annually to its administering authority on its compliance with Sections 13146.2 and 13146.3 and,

WHEREAS, the Board of Directors of the San Miguel Consolidated Fire Protection District intends this Resolution to fulfill the requirements of the California Health and Safety Code regarding acknowledgment of the San Miguel Consolidated Fire Protection District's compliance with California Health and Safety Code Sections 13146.2 and 13146.3.

NOW, THEREFORE, BE IT RESOLVED: That the Board of Directors hereby expressly acknowledges the measure of compliance of the San Miguel Consolidated Fire Protection District with California Health and Safety Code Sections 13146.2 and 13146.3 in the area encompassed by the District, as follows:

A. EDUCATIONAL GROUP E OCCUPANCIES:

Educational Group E occupancies are generally those public and private schools used by more than six persons at any one time for educational purposes through the 12th grade. Within the San Miguel Consolidated Fire Protection District, there lie 41 Group E occupancies, buildings, structures and/or facilities.

During the period June 10, 2021 – June 8, 2022, the San Miguel Consolidated Fire Protection District completed the annual inspection of all 41 Group E occupancies, buildings, structures and/or facilities. This is a compliance rate of 100% for this reporting period. Additional items regarding this compliance rate can be found in the accompanying staff report for this resolution.

B. RESIDENTIAL GROUP R OCCUPANCIES:

Residential Group R occupancies, for the purposes of this Resolution, are generally those occupancies containing sleeping units and include hotels, motels, apartments (three units or more), etc., as well as other residential occupancies (including a number of residential care facilities). These residential care facilities have a number of different sub-classifications, and may contain residents or clients that have a range of needs, including those related to custodial care, mobility impairments, cognitive disabilities, etc. The residents may also be non-ambulatory or bedridden. Within the San Miguel Consolidated Fire Protection District, there lie 284 Group R (and their associated sub-categories) occupancies of this nature.

During the period June 10, 2021 – June 8, 2022, the San Miguel Consolidated Fire Protection District completed the annual inspection of 284 Group R occupancies, buildings, structures and/or facilities. This is a compliance rate of 100% for this reporting period. Additional items of note regarding this compliance rate can be found in the accompanying staff report for this resolution.

Finance Committee Report

Date: June 8, 2022

To: Board of Directors

From: Finance Committee

Subject: Fiscal Year 2022/2023 Proposed Preliminary Budget

Background

The District, by law, is required to adopt a preliminary budget by June 30, 2022. Approving the preliminary budget does not authorize implementation of new programs or positions; it simply allows the District to continue operating into the new Fiscal Year. The 2022/2023 Preliminary Budget is presented for your review and approval.

Once we receive the following items, the final budget will be developed for Board review and approval by September 21, 2022.

- 1) Close out 2021/2022 Fiscal Year
- 2) Property Tax Estimates for 2022/2023

Discussion

The Finance Committee reviewed in depth the draft preliminary budget at the May 25, 2022, meeting and requested justifications on several line items. The attached document has taken all the Finance Committees recommendations into consideration.

Fiscal Impact

None; allows the District to continue paying necessary expenses into the new Fiscal Year.

Recommendation

Adopt the proposed preliminary budget for the 2022/2023 Fiscal Year.

SAN MIGUEL FIRE & RESCUE

Budget Summary Revenue Justifications

Line 1 Property Taxes: Preliminary Budget is based off a 1% increase from previous budgeted amount. This will be updated during the final budget once valuation assessments are completed.

YTD (Year to date) is 75% of budget – the majority of property taxes are received in December and April, and as such, this line item can appear high or low depending upon time of the year.

Line 2 Benefit Assessments Revenue: YTD is 75% of budget – the majority of assessments are received in April, and as such, this line item will appear low depending upon the time of the year.

Line 3 AMR Contract and Other Miscellaneous Revenue: Includes plan check fees, inspection fees, AMR contract and rental fees of various facilities, and miscellaneous reimbursements. The District is anticipating a loss of revenue of approximately \$120,000 due to the termination of the First Responder Pool of Funds Contract through the County of San Diego and the loss of rental income for the cell tower located at Station 23.

YTD is over budget due to COVID 19 fiscal relief monies received from the State of California Department of Finance for \$2.1M, along with OES Reimbursement \$1.2M not budgeted for and offset by employee overtime and miscellaneous reimbursements not budgeted for.

Line 4 Interest Income: Mostly consists of County Investment Pool and the Public Agency Self Insurance System (PASIS). It is anticipated that we will receive less interest income in the upcoming Fiscal Year.

YTD will trend over or under budget depending on the market. YTD is 40% of budget due to lower interest rates than anticipated.

SAN MIGUEL FIRE & RESCUE

Detailed Expense Budget Justifications

Salaries & Benefits

Line 1 Health Insurance - Employees: Increase in health insurance premiums in addition to increases in the District-paid premium.

Line 2 Health Insurance Retirees & Directors: Tier 2 retirees have been added to health insurance – this line item is anticipated to increase each year.

Line 6-9 Retirement (Normal Costs): Increases/Decreases are based on salaries related to Classic and PEPRA classifications and the CalPERS rates for the year. As Classic members retire, the normal costs will decrease and the PEPRA costs will increase with attrition.

Line 10 & 11 Unfunded Liability (CalPERS Payment & Lease Revenue Bond): The District adopted a strategy to help stabilize the growing costs of the pension liability. A lump sum payment is being made through a Lease Revenue Bond to payoff a portion of the UAL to CalPERS. This strategy will allow savings to be put aside for future pension obligations.

Line 13 Paramedic Recertification: This recertification was removed from the MOU based on negotiations and has been incorporated into the Captain & Engineer Paramedic differentials.

Line 15 Scheduled Overtime: These costs are tied to approved salaries based on MOU's.

Line 17-18 Base Salaries: Based on approved Salary Schedules for FY 2021/2022 through the MOU's and Terms of Employment.

Line 19 Recession/Stabilization Plan: This line item is to assist in the planning for a stabilized budget during an economic downturn and would need additional Board approval. This is tied to the Economic Catastrophic/Recession Plan.

Board of Directors

Line 25 Board of Directors IT Equipment: Board of Directors IT equipment was not expended last year; therefore, it was determined a decrease in the budget was appropriate.

Administration Management

Line 27 FAIRA (Fire, Liability, Collision): Increase of approximately 23% reflects the continued deterioration in the pricing available for liability and property rates levied against all California municipalities. The District continues to monitor and assess the needs of the District. Currently FAIRA continues to provide the most competitive rates along with the best coverage for Fire/EMS services.

Line 29 Information Technology Equipment: This line item is based on a replacement schedule and new technology equipment will be replacement on an as-needed basis.

Line 49 Wellness Program: Per the current contract there will be an increase of 5% yearly. This contract is currently being reviewed.

Line 67 Accounting Software: Implementation of new accounting program due to reoccurring issues with current software. District needs to utilize new technology to improve output of information and streamline financial processes. This will allow for a new chart of accounts to be established and automate reporting for more accountability. Manual reporting and processing of information will be eliminated with the new program. This also ensures that checks and balances are continually being monitored for accuracy and to prevent fraud. The \$60,000 includes the implementation and training. Yearly reoccurring cost will be \$16,000, which is \$6,000 more a year than our current software. Our current software is due for an upgrade and no longer has a support team. This is the recommendation from the Administrative Officer/Finance Officer.

Operations Management

Line 111-113 Safety Clothing: Increased costs in Personal Protective Equipment/Clothing is due to vendor inflationary increases.

Line 117 Cell Phone Service & Equipment: Cell phones and iPads for fire personnel for use on apparatuses. iPads being utilized for Tablet Command which will replace the MDCs through the replacement cycles.

Facilities Management

Line 145 Station Security Systems: Security systems to be replaced/updated based on improvements in technology. Security continues to be assessed and addressed when needed.

Training Program

Line 177 Training Props & Equipment: Increased costs for props/materials/equipment is due to vendor inflationary increases. The Training Division continues to provide necessary internal training for the development of personnel.

Peer Support/Chaplain Program

Line 223 Peer Support Training: In depth education to include structured seminars and classes that are required to become a certified Peer Support Member.

Community Outreach Program

Line 233 Community Outreach Overtime: Includes overtime for committee to meet throughout the year to establish goals and objectives along with required personnel needed for community events after-hours/off-duty.

Line 235 Public Relations: Requested by the Finance Committee to be included in the preliminary budget to establish a Public Relations Firm for District Community Outreach and Education. The goal is to create awareness of San Miguel Fire & Rescue and support District internal controls for PR related matters.

Line 236 Community Outreach Supplies/Goods: Increase in Community Outreach supplies/goods for public events (school visits, open houses, etc.). This line item would consist of public education flyers, children logo items, and other miscellaneous needs.

Line 238 Open Houses: To include interactive activities for the open houses at multiple stations over the year.

SAN MIGUEL FIRE & RESCUE

Reserve Fund Expenditure Justifications

Contingency Reserve Fund:

Board Room & Conference Room IT Equipment Upgrade utilizing American Rescue Plan Act (ARPA) Funding approved by the County of San Diego. These projects were deferred in the previous year due to timing of contractors and other facility priorities. The request is being increased due to supply/material cost increases.

Uncompensated Leave Fund:

The District does not project expenditures in this account, rather uses it on an as needed basis to reimburse the General Fund account for employee payouts.

Vehicle Replacement Fund:

Apparatus – Major Repairs is budgeted ongoing for emergency repairs if needed throughout the year to stabilize the General Fund.

Type 1 Engine Equipment (2) was budgeted last year, but due to delayed delivery of equipment, it will need to be expended in Fiscal Year 2022/2023.

Capital Equipment Fund:

Lucas CPR Compression Devices deliver guideline consistent, high-quality chest compressions at recommended rate and depth while allowing for chest recoil. There are fewer interruptions, compared to manual CPR, leading to higher compression ratios. This allows the 3-0 staffing model to benefit as the device assumes the role of a "4th person" during CPR. The District is looking at grant opportunities for the initial purchase.

Self-Contained Breathing Apparatus Replacement (SCBA) for all current equipment. It has been determined that the District cannot purchase another generation without being out of compliance with OSHA & NFPA standards. The District established a committee to review quotes and manufacturers. The Board of Directors were made aware that the replacement would be coming forward, and it was anticipated that it would cost over \$1,000,000. Due to the work of the committee, it was determined that staying with the current manufacturer, there is a cost savings, along with better training opportunities. The District has submitted a grant proposal for replacement of 38 SCBA packs.

Fixed Equipment Fund:

Lease Payment – Solar Equipment has two years left on the lease agreement and the payments are based on a fixed amortization schedule.

Station 23 HVAC system needs to be upgraded due to the age of unit and a lack of function. Energy costs have increased at the station, and it was determined that some of that cost is due to the unit not performing at optimal efficiency. The unit is not cooling the station well, and it is recommended to be replaced before it becomes a health and safety issue.

Vehicle Exhaust System at Station 15 needs to be replaced due to changes in equipment and service life of current system. It was deferred and an increase of \$20,000 to this budget item is recommended for any cost adjustments.

Facilities Replacement/Renovations Fund:

Station 15 Renovation was deferred due to lack of submitted Request For Proposals (RFPs). The District has now received some interest in the project, but proposals came in over the \$250,000 allocated for last year. Staff will be bringing forward information at a future meeting for approval of this project, with an updated proposal. These formal bids must be approved by the Board of Directors through an action item.

Subject: CalPERS Lump Sum Unfunded Annual Liability (UAL) Payment versus Monthly Payments

Background

As discussed at the November 12, 2014, Board meeting, the CalPERS Board of Administration approved structural changes requiring all employer's pension liability to be 100% funded.

The District's 2022/22023 payment, if paid monthly, totals \$3,970,043.

Discussion

The District is finalizing the UAL Pension Restructuring, which brings the payment for Fiscal Year 2022/2023, including the CalPERS payment to approximately \$2,500,000.

Fiscal Impact

Payment out of the General Fund for the CalPERS Lump Sum UAL payment of approximately \$2,500,000.

Recommendation

Board of Directors give authorization to pay line item 10 on page 2 of the proposed preliminary budget, prior to the adoption of the final budget, as a lump sum amount versus monthly payments.
